Seminar Report

Program Title: - Seminar on "Research Methodology"

Date: - 24th August 2017

Resource Person: -Dr. Salim Chavhan

Faculty Co-ordinator:-Mrs. Pooja Thakre

Number of Participant: - 25

Department of Electronics & Telecommunication Engineering of Nuva college of Engineering & Technology, Nagpur had organized a Seminar on "Research Methodology" on 24th August 2017. The purpose of the Seminar was to give basic knowledge to the students about research methodology.

Dr. Salim Chavhan, was the resource persons for the seminar. Dr. Chavhan covered different aspects of research such as review of literature, problem formulation, data analysis, report writing etc. This seminar helped the students to understand basic methodology needed to do carried out research work. All the participants were benefitted immensely from this seminar. The Institute looks forward to conduct multiple informative workshops on Research like this in the near future.

Appreciation Letter

Dear Sir,

It was a wonderful experience having you at Department of Electronics & Telecommunication Engineering of Nuva College of Engineering & Technology, Kalmeshwar, Nagpur. Students of this institute were truly motivated by your presence and expertise talk for the seminar on "Research Methodology. This seminar definitely would encourage students to do focus of research activities and in future we seek your help and cooperation in order to organise these types of events, so that our students would get maximum benefit.

Sir, we would like to extend our humble gratitude to you for spending your precious time with us. It was our privilege to have you here with us.

Thanking you.

Program Title: - Seminar on "Writing effective research papers"

Date:- 18/01/2018

Resource Person:- Dr. Manish Bihade

Faculty Co-ordinator:-Mr. Rahul Gulpude

Number of Participant:- 30

Department of Mechanical Engineering of Nuva college of Engineering & Technology, Nagpur organized a seminar on "Writing Effective Research Paper" on 18 January, 2018. The primary aim of organizing this seminar was to familiarize with writing effective research papers. The program was aimed to promote research among the faculty members and students.

Speaker Dr. Manish Bihade explained about research methodology, selection of a journal, structure of a writing journal, language issues, presentation of results and discussion, tools for quality improvement etc. He explained the method of writing with examples of sample exercises. He also briefed about how to avoid plagiarism during the paper writing process.

Seminar was very interactive and received well response from the participants. Participation certificates were distributed to all the participants.

Department of Computer Engineering organized a seminar on "**The importance of Review of Literature in Research**" on 08/03/2019. The seminar focused on review of literature and its importance in research activities.

Speaker of seminar Dr. Vivek Korde gave brief information about the review of literature and its importance in research work. Dr. Korde also mentioned the steps to be followed while doing the review of literature so that students would aware about the good work already done in the previous research activities. This would give student a better insight and understanding into their research work. He also highlighted online resources and talked about use of E-literature to study different aspects of research activities.

The seminar was a very good learning experience for the students

Seminar Report

Program Title: - Seminar on "Entrepreneurship- Opportunities & Challenges"

Date: - 11/07/2019

Resource Person: - Mr. Jogy Scaria

Faculty Co-ordinator:- Mr. Shyam Dube

Number of Participant: -50

Department of Computer Engineering organized seminar "Entrepreneurship- Opportunities & Challenges." Mr. Jogy Scaria, was speaker of this seminar and he gave a brief idea about how to start a new business.

Mr. Jogy Scaria explained about different perspectives and opportunities to set up a new business plan. He also motivated the students to start their own venture by giving live examples of different successful entrepreneurs. He also focused on the problems and challenges in order to setup and execute a new startup and gave some useful ideas about how to overcome these challenges.

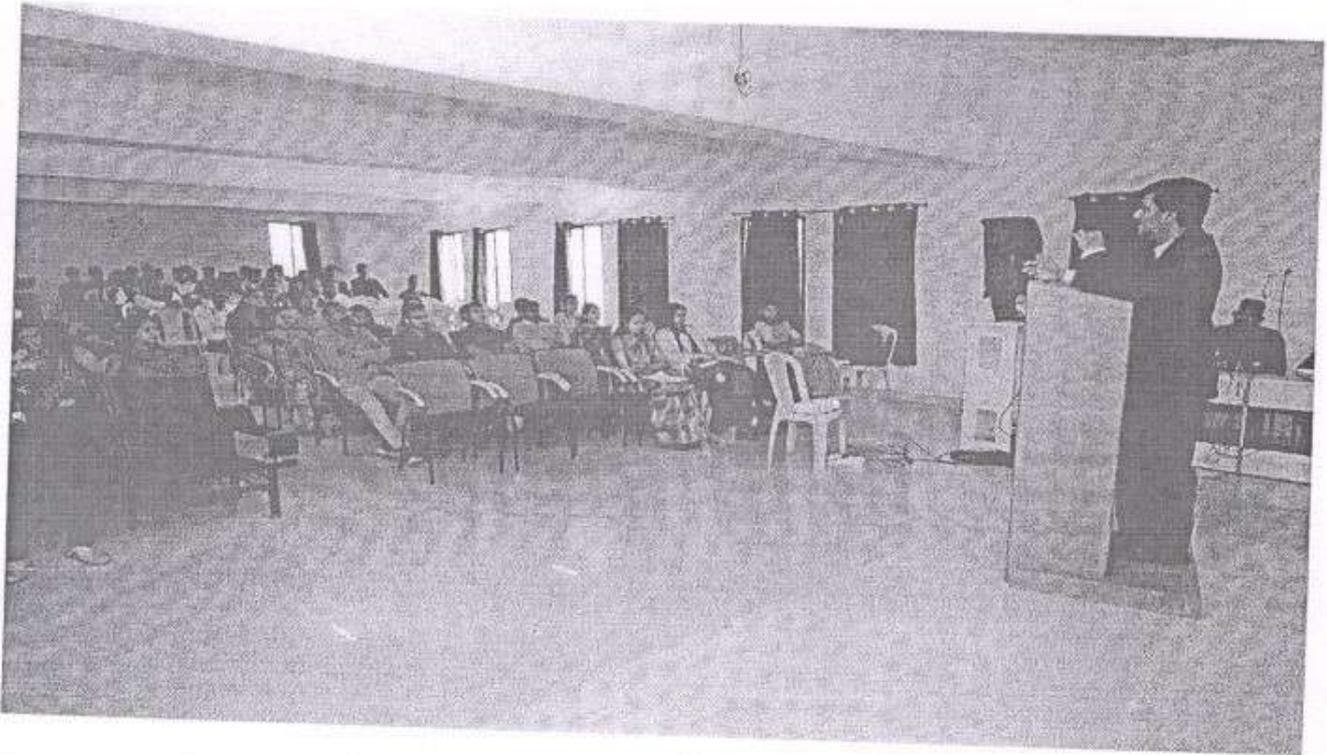

Students were motivated by the talk of Mr. Jogy Scaria and were thankful to him.

Seminar Report

Program Title: - Seminar on "Writing effective research papers"

Date:- 16/01/2020

Resource Person:- Dr. Vivek Korde

Faculty Co-ordinator:- Mr. Sumit Kumar

Department of Mechanical Engineering of Nuva College of Engineering & Technology, Nagpur was organized Seminar on "Writing Effective Research Paper" on 16/01/2020. The primary aim of organizing this seminar was to inculcate effective research paper writing skills among to students.

During the seminar Dr. Vivek Korde explained about different contents in writing research paper like abstract, introduction, experiment techniques, result and discussion and conclusion. Further he also explained about formulation of reference by using Mendeley reference.

Students were benefited from this seminar by understanding basic requirements needed to write a good project.

Program Title: - Seminar on "Entrepreneurship opportunity in Civil Engineering"

Date:- 14/02/2020

Resource Person: - Dr. Tushar Shende

Faculty Co-ordinator: - Hiradas Lilhare

Department of Civil Engineering of Swaminarayan Siddhanta Institute of Technology, Nagpur organized seminar on "Entrepreneurship opportunity in Civil Engineering" on 14/02/2020.

Dr. Tushar Shende explained the scope of Entrepreneurship in civil engineering. The main motto of the conduction of this seminar was to fill the gap between academic and industrial expertise and to know what skills exactly students need. He has explained to students which sector will be in high demand in future and challenges to be faced by the students in technologies. Also, he has given real time examples and case studies how we should develop entrepreneur skills.

Students were actively participating to learn about importance of innovation and how to develop entrepreneurship skills. Students found this seminar interesting and knowledgeable.
