Green Campus Policy of SSIT

GREEN SSIT

The commitment of the institute to maintain sustainable environment and improvement is evident through its "GREEN SSIT" policy. Our "GREEN SSIT" committee along with staff and students strive to create a campus environment that is clean, green, and free of plastics. This initiative is a reflection of the desire to cultivate a culture of environmental responsibility and ethics among the staff and students.

Mission

To instill environmental awareness among students and actively engage them in efforts to improve quality of environment.

Objectives

1. To create healthy environment for learning.
2. To create awareness amongst students regarding importance of our surrounding environment and its protection.
3. To find the innovative ideas to minimize the future threats to the environment.

The institution is dedicated to uphold its clean and green campus policy (GREEN SSIT) when administering its campus. The college has "GREEN SSIT Committee" which looks towards having a clean and green campus.

Following measures have been taken by the institute to improve environment:

> Use of Solar Energy

Solar Street Light-Semi Integrated SP Set up (SSL-071) is used in order to reduce the conventional electricity utilization.

> E-waste and solid waste management system

E-waste management system is incorporated in association with Nagraj e-Waste recycling so as to recycle the e-waste generated at the college campus. Also in cooperation with Gatgrampanchayat Khapri, Solid Waste management system is incorporated in college campus.

> Use of LED lights

LED Lights are used throughout the college campus. Hence power consumption is considerably lower.

Swaminarayan Siddhanta Institute
of Technology, Kalmeshwar
Dist. Nagpur 441501

➤ Landscaping of trees

Gardener and full time support staff have been appointed for the maintenance of garden and keeping the campus litter-free, clean and green. The tree-plantation drives are undertaken by the NSS unit of the college every year.

➤ Pedestrian friendly path:

The roads inside the college campus are pedestrian friendly.

➤ 'No Smoking, No Tobacco' in Campus area

"No Smoking and No Tobacco" initiatives are taken by the institute to make campus carbon free.

➤ Silence zones in the college

The college is having silence zones inside the college campus so as to reduce noise pollution around the campus.

➤ Plastic free campus

No plastics initiative is also adopted by the institute so as to decrease the plastic waste. Reusable carry bags and avoiding usage of disposal water glass practices are incorporated inside the college campus.

➤ Rainwater Harvesting

The college ensures rain-water conservation through rainwater harvesting. The rain water from the roof top outlets is carried through the well-connected pipelines to the chambers and then to the borewell.

➤ Display Boards to Promote Environmental Sensibility on College Campus

Various boards including quotes that promote environmental awareness and ethics including air-pollution control, plastic-free campus, conservation of energy, recycling of resources, tree plantation, Nature conservation, etc. are displayed for all the stake holders of the college.

➤ Restricted Entry of vehicles:

Vehicle entry is prohibited in college campus beyond parking areas. Security guards continuously monitor movement of vehicles inside the institute area.
